Dear Mrs. McNamara,

Thanks for your good wishes. I appreciate your interest in my health.

For a man of 77 who has gone through the operations I've had I think I'm about as good as can be expected.

After I last heard from you I had open-heart surgery, with bypasses, and it went well and slowly I'm recovering some strength.

You hope I am enjoying life. I am, thank you.

In part this is because I am limited in what I can do and I now have time for reading for pleasure.

I hope that you are getting along well and able to continue to cope with the problems you have.

And that your health is good!

Thanks and best wishes,

Harold
